

REMARKS

Reconsideration and allowance of the application are respectfully requested.

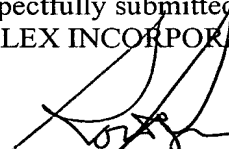

In the Office Action of October 5, 2005, claims 25-43 were pending in the application. Claims 32-38 and 41-43 were allowed, claims 25-31 were rejected and claims 39-40 were objected to. Those rejections, as they might apply to the claims as now amended, are respectfully traversed.

In particular, the rejected claims 25-31 have been cancelled. Claim 39 has been amended to properly depend from allowed claim 32. Therefore, the objection to claims 39 and 40 (which depends from claim 39) is also now obviated.

In view of the foregoing, reconsideration of the application, allowance of claims 32-43, and passing the application to issue are respectfully requested.

Date: 12-2-2005

Respectfully submitted,
MOLEX INCORPORATED
